Senior Portrait Guidelines

Our contracted school photographer, **Cheekwood Studios**, will photograph every member of the senior class free of charge. By having one photography studio taking the senior yearbook pose, this will ensure consistency in background, posing, lighting, and clothing. **Your session time is usually no more than 10 minutes.** Proofs will be available for senior and parent selection about a week after the portrait session. No purchase necessary, but information on purchasing portrait packages will be available at that time if interested.

Cheekwood will set up their equipment in the **main lobby** at Jackson High School on **Wednesday, August 16th**. There will be one retake date later in the first semester.

Be sure to visit Cheekwood's table during senior orientation (Tuesday, August 8th) to reserve a time slot for your portrait.

Please follow the dress guidelines outlined for this formal portrait celebrating your high school graduation. **White shirts, ties and black sport coats for boys, and black dresses/blouses (with sleeves) for girls are required.** Please bring or wear proper attire for portraits. **If you do not have these items, and you feel comfortable, Cheekwood will have these items for you.**
