Orientation Dates for 2023-2024

Orientation dates for the 2023-2024 school year have been set and are outlined here. We encourage all new and returning students to attend Orientation. Orientation will be held in the Commons Area on the west end of the campus. It is important that students attend on the correct dates so we have the appropriate information and schedules available. The online information update program in [Parent Portal](#) is open now so you may start the re-enrollment process. This update is required every year.

Students will not receive their schedule unless the process has been completed online.

At Orientation...

Students will receive their schedule and locker assignment. Buildings will be open and students can find their locker and classrooms.

Cheekwood Studio will be here on Junior, Sophomore and Freshmen days to take pictures for the yearbook and ID. **Please dress appropriately - dress code will be enforced!** No purchase required. Proofs will be emailed and packets may be purchased online.

Students can purchase an Activity Pass which allows them to enter all home sporting events (football, basketball, soccer, baseball, wrestling, and volleyball) without paying admission at the door (excludes tournaments and playoff games). Activity Passes are \$30 each. Checks should be made payable to JHS.

The **school nurse** will be available to check immunization records and discuss concerns. You can find common medical forms on our [High School Nurse's Office](#) page on the Jackson R2 website.

The Cape County Health Department will be here on Freshmen day to offer a free dental screening and [fluoride varnish application](#). They will also be here on Senior day to administer the [mandatory meningitis vaccine](#). **Vaccines must be up to date before students can begin the school year.**

Student IDs

Students must wear their school ID on a lanyard or clipped to their shirt while on campus. It serves as a digital hall pass, enables swiping for meal and book checkouts, grants access to campus facilities, and ensures a safe and organized environment.

Daily Schedule

On the right, you will see the schedule for 2023-2024. A typical week will consist of two **RED** days and two **BLACK** days, both starting at 7:55am, and one **GREEN** Collaboration day on Wednesday. **GREEN** days will have a later start, with 1st hour beginning at 8:25am. 7th hour Advisory class will only occur on **RED** days. Not every Wednesday will be a **GREEN** Collaboration day. Be sure to check the calendar.
